PHOTO / VIDEO CONSENT

Naomh Eanna C.L.G. believes it is important to recognize the achievements and success of our youth and of our club as a whole. One of the ways we do this is to publish photographs and reports in the local press and on our web site. We take the issue of child safety very seriously and, as such, the taking of photographs / video will be carefully monitored to ensure that it is consistent with our Child Protection Policy and Data Protection legislation. For this reason we have put the following guidelines in place:

- We ask parental consent for the Club to take and use photos of their children and for permission to publish any photograph in the press or Club website to promote our Club and activities.
- Photographs will at all time be taken in the presence of an adult coach.
- Any children in U14 and up age groups to be added to the teams message groups.

I have read the guidelines and give my consent for photographs of my child being used in the local press, promotional DVDs and the Club web site (www.naomheanna.ie). If there is any change to my decision I will inform the Club.
