Seachtain na Gaeilge

Dé Satharn 10ú Márta @11.30rn
Saturday 10th March @11.30am

Ba mhaith liom crainn a chur!

I wanna plant a tree!

Community Tree Planting with Belfast Hills

As part of the ongoing Seachtain na Gaeilge (Week of Irish - it's actually more like two or three weeks) celebrations we have the great honour of welcoming Noel Rice (Armagh man) from Belfast Hills to our club, we are unique as a club having wetlands, grasslands and forest all in the club grounds...

On the day we will have hazel, alder, elder, rowan, silver birch, oak, etc... all like us, native to this land, so i invite you to put down roots at Naomh Éanna and plant a tree.

The more volunteers the better, tús maith leath na hoibre.
